**Take a look** at these common household items. Most of our valued customers buy these products on a regular basis and for the intended use.

Some people, however, see something quite different. Their intent is to make illegal drugs such as methamphetamine or “meth.” Frequent or large-quantity purchases of these and similar products may be a sign of illegal drug manufacturing.

**Be aware, but be smart.** Don’t take matters into your own hands. Don’t confront the purchaser. Inform your manager of suspicious activity. Or, call local law enforcement at:

(Write local law enforcement phone number here.)
